

JULY 2025 NEWSLETTER

WELCOME!

We're thrilled to bring you the latest updates from AusChem Training. It's been a busy season with great events, team milestones and industry news.

AusChem Trainer PD

We're excited to share that the recent AusChem Trainer PD conference, held in May in Melbourne, was a great success! With powerful presentations and valuable networking opportunities for trainers across the country. The 2 day event wrapped up with a spectacular drone display from Kingfisher Drone Services.

Trainer SPOTLIGHT BOB CURRIE

Bob has been in the Albury Wodonga region for over 50 years.

He worked as a Dairy Extension officer and consultant before realising he was working closely with adult learners who were motivated by what they wanted to know. Bob has been delivering the "Farm Chemical" courses since 1996 and has also worked in Men's Health (with a group of GPs), health promotion, training military medics, co-ordinated a mentoring program for Anglicare and provided training for people entering the Transport & Distribution industry.
